Purchasing process

Notes:

- 1) When planning to order **custom fin blades** (shape, size, stiffness, bending properties), please **contact FinnFin as soon as possible**, even before paying for foot pocket deposit to verify feasibility and possible extra costs.
- 2) The available **trial fin blades** cover only **uncoated, standard sized** and **-shaped** stereo/**bi-fins** of soft/standard/hard **stiffness alternatives**. One set of trial fins includes 2 fin blades of different stiffness. After the trial the Customer can order custom fin blades (e.g. stiffness between soft and standard)
- 3) The **sender** is always **responsible** for the **shipping costs**.
